*Serving Ballard Since 1901*

### **Families Contract for In-Parish Tuition**

To assist St. Alphonsus Catholic Church parishioners, who send their children to our school and also regularly support the parish, an in-parish tuition rate has been established. In order to qualify for the in-parish tuition rate, the following criteria must be met:

- At least one parent or guardian must be a registered parishioner in good standing at St. Alphonsus Parish
- This parent or guardian must be registered with the parish and demonstrate regular contributions to the parish through the Sunday offering envelope or online contribution for 6 months prior to registering your student at the school
- At least one parent or guardian must be active in the life of the parish and attend Mass here regularly.

I understand the responsibilities required of me to be considered for in-parish tuition.

This agreement does not take effect until the pastor has reviewed and approved the request. In cases where the above conditions are not met, a letter will be sent notifying the parent or guardian that the in-parish tuition rate may be suspended.

Please return this form to the school office with your enrollment packet.
